[APPLICATION] Systems and methods for creating **self-extracting files**

US Pat. 9818134 - Filed Mar 27, 2001

The universal **self-extracting** file 204 may be executed by a user selecting the ... such as with DLL **files**, the decompress/**launching** process may load the ...

Methods for managing preferred internet sites in a computer system having a ...

US Pat. 6544295 - Filed Nov 18, 1996 - Starfish Software, Inc.

The user can create .zip **files** and **self-extracting files** (.exe) just by dragging ... **automatically** adjusted to the user's system time by using the Internet. ...

Regulating access to digital content

US Pat. 6383541 - Filed May 15, 1998 - First Union National Bank

... executable, and/or **self-extracting files**. Objects contain strings of digital data which when decompressed and decoded are **automatically** reconstituted ...

Personal virtual assistant

US Pat. 6757362 - Filed Mar 6, 2000 - Avaya Technology Corp.

Small in size (820 KB), the **self-extracting** ZIP is designed to be transmitted ... **Launching** the VA Management Console To launch the VA Management Console, ...

Self-launching encrypted digital information distribution system

US Pat. 5903647 - Filed Jun 7, 1995 - Digital River, Inc.

If the **self-launching** system involves distribution of digital information without ... The system retrieves the raw data from a sample count **files** (266), ...

[APPLICATION] Electronically acquiring and distributing insurance policy data to agent offices

US Pat. 9801753 - Filed Mar 9, 2001 - ZURICH-AMERICAN INSURANCE COMPANY

The client's data is entered **automatically** into insurance industry standard forms, ... If the **self-extracting** file is located for download at an URL, then, ...

Self-launching encrypted try before you buy software distribution system

US Pat. 5883854 - Filed Jun 7, 1995 - Digital River, Inc.

15 16 number (280). Table 1 provides an example of a file for accesses a software program within a computer database and associating byte positions with ...

[APPLICATION] Distributed hypermedia method and system for **automatically** invoking external ...

US Pat. 10217955 - Filed Aug 9, 2002 - The Regents of the University of California, a corporation of the State of California

The objects may be text, images, sound **files**, video, additional documents, etc. ... to "launch" the **self-extracting** data object to **automatically** execute the ...
